Sub: Implementation of OERC RCPO Regulation, 2010.

Sir,

In compliance with OERC(Renewable and Co-generation Purchase Obligation and its Compliance) Regulation, 2010 OREDA has submitted 1st and 2nd Quarterly status in respect of few obligated entities (Industry having captive generation of more than 5 MW) for the FY 2011-12. As the financial year 2011-12 has since been over, you may furnish the status of compliance of Renewable Purchase Obligation of the 51 entities (with necessary updation, if any), as per the list enclosed. The compliance data as per the format may please be submitted to the Commission. In case no information has been received from any obligated entity by you, in spite of your persuasion to them, then the same may be intimated to the Commission, so that the Commission would initiate necessary action for the non-compliance of RCPO as per the stipulation of the Regulation.

The above information may please be submitted positively by 15th January, 2012.

Yours faithfully,

K. J. S.
Secretary I/c 24.12.2012
