

Response to the queries asked for the e-tender notice no-3674, dated 23.11.2023			
S. No.	Query	Tender Ref. Clause No.	Response from OREDA
1	To meet the criteria of experience of Installation and Commissioning of minimum 50% of the capacity in last 5 years for which the bid is submitted under this RFS, can we use the credentials of our parent company NTPC instead of the bidding company NVVN	4.3	If a bidder wants to use the credentials of its parent company, in such case, the bidder needs to submit Board Resolution of parent organization i) to use its credentials and ii) it will infuse required equity in the project, if required.
2	Can we bid for partial capacity in the project groups	3.1.1.6	No, 100% capacity under the project group has to be bid.
3	Any mimum bidding criteria for a group		A group company can submit only single bid, in case it is found that there are multiple bids from the same group of companies, then all bids shall be rejected.
